

TUITION PLANNING

2025 - 2026

TCS Mission Statement

Trinity Christian School will assist parents in providing students with a Biblical worldview education, equipping them to become Christ-like leaders in their homes, churches, communities, and workplaces.

Re-Enrollment

2025-2026 School Year

“Re-enrollment” begins on **February 14, 2025**. To be eligible for re-enrollment, returning student accounts must be in good standing with the business office or have an administrator-approved payment plan in place.

Your child will be automatically re-enrolled for the following school year, unless you communicate to us otherwise by **February 28, 2025**.

We will bill the **\$250** enrollment fee per child on **March 3, 2025**. That will be collected (or drafted from your account) on 3/31. (Subsequent children’s enrollment fees will be collected on 4/30, 5/30, and 6/16, respectively.) Your payment constitutes your acceptance to continue at TCS for the 2025/26 school year.

If your child will not be continuing his or her education at TCS, you will need to communicate that in writing by **February 28, 2025** to Linsey Warshaw, Lwarshaw@tclubbock.org. If you decide not to re-enroll your student(s), that information will be kept confidential from principals, staff, and teachers until after school is out.

If you re-enroll, you are also agreeing to the following, which you will sign in Web Forms:

1. TCS's mission, core values, and statement of faith which can be found [here](#).
2. Parenting – you are agreeing to complete one hour of observation and two parenting classes per semester.
3. Social Media – you are authorizing your child's image to be used in social media and TCS publications.
4. Field trip - you are authorizing your child to attend TCS field trips.
5. Financial agreement – you are agreeing to pay tuition for the entire year, even if your student does not complete the year at TCS.
6. Concerns or conflicts - If parents have a concern or are dissatisfied, they will seek to resolve the issue with the person(s) directly. Parents agree to not gossip about teachers, staff, or other school families, but to follow the principles of Matthew 18:15-17.

Tuition Insurance

We understand that circumstances may arise that make committing to an annual contract challenging. To help with this, we offer a Tuition Insurance policy. The premium for this plan is 2.1% of the annual tuition.

Students may need to withdraw from private schools each year for various reasons, including family transfers, illness or injury, the death of a parent or student, changes in objectives, disciplinary dismissal, academic challenges, financial or emotional difficulties, or other personal reasons.

If your student withdraws from school for any reason, the Tuition Protection Plan provides significant assistance in meeting your financial obligations to the school. For all non-medical withdrawals, the Plan will reimburse 60% of the unused portion of the school year's tuition. For approved medical withdrawals (after attending more than 14 consecutive calendar days from the first day of class), the Plan will reimburse up to 75% of the unused portion.

If you choose to accept this insurance, the cost will be 2.1% of your annual tuition. Please note that this insurance is required for new TCS families during their first year, unless the full tuition is paid by **August 18, 2025**.

To receive the insurance, please email Tammy Barber at tbarber@trinitytoday.com. The deadline to elect Tuition Insurance and request an invoice is **July 14, 2025**.

Complete details and the terms and conditions of the Tuition Insurance Policy can be found [here](#).
